

## TTP MEMBERS CLUB: RATINGS POINTERS RESULTS

### Results Broken Down By...

-All Qualifiers (backed twice if qual against both ratings):

-Top Rated Qualifiers (also backed twice if qual against both):

-All Qualifiers (backed just ONCE, even if qual against both ratings):

-Multiple Qualifiers Only (qual against each ratings set) (backed ONCE):

**NOTE:** All results recorded to 1 point win bets only, using 'Best Odds Guaranteed' best prices available, usually the evening before racing, sometimes around 9am on the day. The 'best price' has to be available with at least 2 'high street bookmakers' (Bet365/SkyBet/BetFred/BV/PP/StanJ/Lad/Coral/WH) and be around for a duration of time that ensures Members were able to 'get on' .

Results of all members may differ slightly and I would always advise that you keep your own records, especially if you do like betting each-way. These do not have to be detailed, but a running figure of profit/loss always helps.

### RUNNING TOTALS OF...

9<sup>th</sup> December to Sun 1<sup>st</sup> Jan

*(the 'ratings pointers' were introduced on 9<sup>th</sup> December as an attempt drive up the winning %, the profits, and the ROI, and to make any 'shortlisting' from the core stats qualifiers more sophisticated. And to remove human/subjective judgement. So far so good...)*
