

Intro

The following stats have been pulled out of the main *Trainer Track Profiles Summer Stats* guide as they were before the seasons started.

The qualifying criteria:-

- 20 or more qualifiers
- 5 or more wins
- Minimum +15 BFSP (avg +5 each season)
- At least a 20% win strike rate combined with a minimum 50% w/place strike rate
- OR minimum 25% win strike rate (w/place % irrelevant)

Qualifiers will be marked in ***italics bold*** in section 1 of the Members' Daily Post.

We shall see if this more streamlined portfolio has any systematic success or maybe provides you with a more focussed shortlist to analyse etc.
