P J Prendergast

All runners.... 20 bets / 4 wins / 8 places / +37

**

We shall see how that little lot get on. As always use those how you please. I would use them as starting points before further analysis, if you choose to dive in and use them as a guide.

We have had some spectacular meetings with this approach and some not so good. Fingers crossed this is the former and these stats highlight the odd nice priced winner.

Good Luck,

Josh
