Of Note:-

- You'd have won +32 points on the Betfair place market – the profit combined with the BFSP win profit is mad given the no. of runners/how competitive the racing is. It's clearly a week Mr Dods targets, not throwing too many darts but more often than not hitting the board. A 'back all EW' micro for fun money? Maybe.
- **Distance: 5-5.5f : 7/14, 11p, +50 BFSP**

## HANDICAP (all) Pointers

### Trainer/Jockey Combos

- **David O'Meara/D Tudhope/ 9/1 or shorter SP: 4/15, 10p, +22 BFSP**
  - 10/1 + SP: 0/18, 3p
- **A Balding/ O Murphy: 2/4, 2p, +20 BFSP**
- **R Beckett/ H Bentley: 2/5, 3p, +15 BFSP**

### Trainer

- **Tim Easterby / 2 runners in the race: 4/20, 6p, +100 SP, +587 BFSP**
  - *Overall hncp record: 5/71, 11p, +57 SP (inc 66/1 SP, 538/1 BFSP winner last year)*
  - *Jockey booking appears irrelevant, a couple of jockeys winning on horses they'd never sat on before in a race and what on paper would appear unusual bookings for the yard. (Phil Denis/Rob Hornby) ... David Allan... 2/8,3p*
