It is not always possible to obtain owners' badges for all members who would like to attend. *In this event, the syndicate will purchase general admission tickets to ensure all owners can watch their horse race on all race days.* Owners' badges which include access to the parade ring and some hospitality will be balloted where numbers exceed the permitted amount.
- Organised Owners' Day at the yard of Amy Murphy, where you will see our horses train, meet the team who look after the horses and spend some time with Amy to answer any questions you may have. There will be a minimum of two official 'Owners' Days' within the 12-month lease agreement period.
- Social race-day meetups throughout the National Hunt and Flat seasons.
- Entry into Owners Monthly 'ITV Racing Tipping Competition', with prizes.
- Race day watch-alongs via Zoom - grab pint or glass of wine and enjoy an afternoon of racing with other owners
- Behind the scenes access to content on the ongoing events at Amy's.
